## **March 25, 2021**

We reported an allegation that Roman Abramovich bought a yacht for president Vladimir Putin, when the latter was prime minister (“One superyacht just isn’t enough for Roman Abramovich”, [news](#), Feb 25). We accept that this allegation is not correct. Mr Abramovich has never owned the yacht *Olympia* and did not give it or any other yacht to Mr Putin. We also wrongly reported that Mr Abramovich gave a yacht to Mr Eugene Shvidler. We are happy to clarify the position and apologise to Mr Abramovich for the errors.
